Canadian AI and Robots & Vision Conference 2025

May 26-29

Calgary, Alberta

Welcome to Canadian AI and Robots & Vision Conference 2025

Join us for the Canadian AI and Robots & Vision Conference 2025, a combination of the 38th Canadian Conference on Artificial Intelligence (Canadian AI) and the 22nd Conference on Robots and Vision (CRV), taking place in person at the University of Calgary in May 2025. This prestigious event brings together leading AI and robotics researchers, practitioners, and professionals from academia, industry, government, and non-governmental organizations. The conference offers a platform to showcase Canada's innovation, ingenuity, and leadership in artificial intelligence, robotics, and intelligent systems. Be a part of this vibrant community as we collaborate to advance the AI and robotics ecosystem in Canada.
